Mr. J. T. Lock
Manager, Cable and Wireless, Ltd.
Nicosia, Cyprus

Dear Mr. Lock:

STAT [redacted] has given me a copy of your letter dated 17 December 1951, advising that authorities in the United Kingdom have agreed to applying the 10 per cent limit to the file of our station for the preceding week.

I wish to express my appreciation for your efforts in this connection and for the satisfactory solution thereof. While we, of course, are always anxious to have even greater liberty in filing material that we consider important to the joint US-UK security, we recognize as justifiable the reluctance of the G.P.O. and Foreign Office to extend the privilege too freely.

We are still considering the advisability of leasing transmitter time from Cyprus to Athens, and in that connection I would be greatly indebted to you for early receipt of the exact cost per hour of this service. Mr. Edwards from my office will be visiting Cyprus in the spring, and I will ask him to call on you. I hope that at that time we will be able to see definitely whether or not we can utilize the Cyprus-Greece service.

Sincerely,

STAT [redacted]
